

UCC Benefit Plans Are Helpful In Forming Program For Future

Pension, Retirement, Savings Save Worry

The future holds much in store for everyone—and Americans have always been great planners for the future. They plan for their children's education, a new house, a car, a vacation.

But it's a safe bet that a young money earner seldom gives much thought to what he'll do after he retires. It's a good idea to plan for retirement, and it can be done best in a leisurely manner.

To retire successfully one must adjust his standard of living to his new income, and find a new way to spend his time. Failure to prepare for these two things can turn a pleasant dream of retirement into a nightmare.

A good way to start is by making an estimate of expected income and needs after retirement. At the age of 60 there can be a certain amount of accuracy. At 25 any estimate must be tentative, but it's never too early to plan. Early consideration of retirement problems will save much worry later on.

In addition to savings and Social Security benefits, a Union Carbide Nuclear Company employee has several ways to provide for income after retirement. He is eligible for the Pension Plan—without cost to himself—provided that when he retires at age 65, he has at least 10 years of Company Service Credit.

He can also increase his retirement income by joining the Retirement Plan if he has been employed for one year and earns more than \$250 per month. Under this Plan the benefits are paid for life, but in no event for less than

Early Consideration Of Coming Years Urged

10 years. There are also benefits to the beneficiary in case of death after 15 years of Company Service.

Another source of income is the Personal Savings account of the Savings Plan. In this long-range part of the plan, the employee's savings plus the 30 per cent the Company adds accumulates and may be invested in Government Bonds, UCC stock or both.

Financial matters are important. However, studies show that with Social Security, Retirement and Pension Funds, an individual's retirement income may be reasonably estimated.

Also important is the problem of how the retired employee will spend his time. Many persons about to retire plan to spend their new leisure on pre-retirement spare-time interests. Unfortunately, they may find that what was a rewarding part-time hobby is not so rewarding on a full-time basis. It's a good idea to look into all the possibilities that might be found interesting as a retiree—civic and social activities, travel, small business, gardening and other hobbies.

There are many sources of material, for the pre-retiree, on what to do and how to do it. Where to live and type of housing should also be considered. For those thinking of trailer life there are several publications devoted to trailers and travel. Many states publish material aimed at attracting retired people. If you think you are going to move, drop a line to the Chamber of Commerce of the state where you think you'd like to retire. Your local library will have a number of books on retirement and its related problems.

However you do it, the important thing is to plan, thoughtfully, all the aspects of retirement. It's never too early to start—and after you retire it may be too late.

Center Will Accept U. S. Reserve Award

Ceremony Set June 20 At ORNL Auditorium

Presentation of the Department of Defense Reserve Award to Union Carbide Nuclear Company will be made by Col. Walter Urbach, deputy chief of staff for personnel of headquarters, 14th Air Force, Warner Robbins Air Force Base, Ga., at 11 o'clock tomorrow morning, Thursday, June 20. The ceremony will be in the auditorium of Bldg. 4500, Oak Ridge National Laboratory, with Clark E. Center, UCNC Vice President, accepting the award citation and pennant from the Department of Defense.

In addition to official representatives of UCNC and the Atomic Energy Commission, other guests at the ceremony will include Col. Floyd W. Watson, Air Reserve Group Commander for East Tennessee; Lieut. Col. Joseph H. Friedman, Knoxville Air Reserve Center; Lieut. Col. Wilton R. Osborn, Oak Ridge Air Reserve Squadron Commander and Oak Ridge National Laboratory engineer who initiated the award recommendation; and local area commanders of military reserve units. City and civic organization officials from Oak Ridge and Knoxville also will be present.

Y-12 Plant Superintendent John P. Murray will be Y-12's representative at the presentation ceremony.

The Reserve Award to UCNC was made in recognition of the co-operation and support of the Company with the reserve training program of the Department of Defense.

"GOOD-BYE, DR. ROBINSON, WE HATE TO SEE YOU GO," is what Dr. Charles R. Sullivan is telling Dr. Anne W. Robinson, who is leaving Y-12 Friday, June 21.

Dr. Anne Robinson Leaving Y-12 Plant After 13 Years

Medical Department Physician Takes Post In Ohio Hospital To Be Nearer Husband

One of Y-12's best known personalities and one of the real "early settlers" in the plant—Dr. Anne West Robinson—will bid farewell to her huge host of friends in the plant and Oak Ridge on Friday of this week, June 21. After more than 13 years of service in the Y-12 Medical Department, she is resigning to take a position in an Ohio hospital where she will be closer to her husband, employed in that area and a former Y-12er himself.

To say that "Dr. Annie" will be missed around Y-12 is a gross understatement. Since January 6, 1944, her employment date, she has seen Y-12ers come and go—has administered to their physical needs, offered counsel and been a confident and friend to countless men and women employees.

Husband First Shift Supervisor

Her husband, Lawrence T., now a machine tool dealer, preceded her to Oak Ridge as a Y-12 employee—being the first shift supervisor in the plant and aiding in the placing in operation of the first two "alpha" buildings. He left in autumn of 1945 and with only a few exceptions, the Robinsons have not been together for more than several days at a time since then.

So "Dr. Annie" will sever her ties here and go to the Molly Stark Hospital at Canton, Ohio, as a staff member, where she and her husband can reestablish their home life.

Dr. Robinson was born in Minneapolis, Minn., attended high school in Grand Rapids, Mich., and obtained her medical degree from the University of Minnesota in 1925. She was married that same year.

Moved Around Frequently

After marriage, the Robinsons moved around frequently, depend-

ing on her husband's business connections, and, as she said, "the babies began coming along" and she didn't settle down to a steady practice. However, before coming to Oak Ridge she was with the Overlook Hospital, Summit, N. J. It is a treat to listen to Dr. Robinson tell of early times in Oak Ridge. Shortly after arriving she was confined in the Oak Ridge Hospital with pneumonia and described conditions there as "chaos." It was cold inside and outside, everything was irregular—"but we survived."

"When I first came to Y-12 the present Dispensary building was only a blue-print," she recalled. "There were two men doctors and myself, and we were stationed in a part of what is now Bldg. 9706-1A. We had only a small portable X-Ray machine and not much other equipment, but we carried right on."

Early Oak Ridge Described

Chatting about Oak Ridge town conditions in those days, Dr. Robinson recalled that "when we left home in the morning you never knew how to get back at night. During the day, a new street might be built next to your house and framework for a new house erected. Lines were everywhere—for groceries, banking, cigarettes and even a hint of sale of nylon stock-

Fourth Y-12 Retiree Gets Pension Check

Thomas K. Bishop, Sr., Qualified For Benefit

Another retired Y-12 employee, the fourth, has begun receiving benefit checks under the revised Union Carbide Pension Plan. He is Thomas K. Bishop, Sr., formerly an experimental machinist in the General Machine Shop.

Bishop received his first pension benefit check last Wednesday, June 12. His future pension checks will be mailed direct to him at his home in Powell, Tenn. Bishop came to work in Y-12 on July 30, 1945, giving him 11 years and eight months of Company Service at the time of his retirement on April 1 of this year.

The three other retired Y-12ers now receiving Union Carbide Pension Plan benefits are John F. Colbert, former carpenter foreman in Buildings and Grounds; John H. Tate, formerly with the Laundry; and Belitha Henley, former janitor.

These four former employees are receiving the UCC Pension Plan benefit checks under the recent revision lowering the qualification of 15 years of Company Service to 10 years at time of retirement.

Testing Society To Hear Talk By California Man

Samuel Wenk, of the University of California Radiation Laboratory, Livermore, Cal., will speak at the technical meeting of the Oak Ridge Section of the Society For Nondestructive Testing next Tuesday night, June 25. The meeting will be at 8 p.m. in Room 18, Oak Ridge Institute of Nuclear Studies Training Building on Administration Road. Election of officers for the coming year also is on the program for the meeting.

The lecture subject will be "The Precision Location of Hidden Objects With Radiography." The speaker is a former director of the SNTD and an executive committeeman for the organization.

Prompt Action Is Urged For Educational Assistance

Eligible Y-12ers who want to apply for financial aid under the Union Carbide Nuclear Company Educational Assistance Plan are asked to communicate as soon as possible with Ralph Pearson, of the Training Department, coordinator of the plan for Y-12. He will provide all necessary information on eligibility, types of courses available and other details.

British Scientist To Talk At Special Seminar Meet

A British scientist will speak on "Recent Neutron Diffraction Investigations at Harwell" at a special Physics Seminar meeting next Monday, June 24. The speaker will be George E. Bacon, of the Harwell, England, installation of the British Atomic Energy Commission.

The meeting will be at 4 p.m. in Room 18, Oak Ridge Institute of Nuclear Studies Training Building. Y-12 technical and professional personnel interested in the subject are urged to attend.

Another UCNC Surplus Sale Set For Saturday, June 22

Another Union Carbide Nuclear Company surplus property and material sale will be held at the Company's warehouse on River Road near the Elza Gate on Saturday of this week, June 22. Sale hours will be from 8 a.m. to 4 p.m. and the public is invited to inspect the wide variety of items offered for sale.

ENTREES ANNOUNCED FOR SPECIAL LUNCHES

The entree for the 50-cent Special Lunch at the Y-12 Cafeteria tomorrow, Thursday, June 20, will be barbecued pork on bun. On next Tuesday, June 25, the main dish will be chef's holiday, a casserole dish that has proven popular. Each Special Lunch includes one vegetable, choice of salad or dessert and rolls and butter.

Dr. Anne Robinson Leaving Y-12 Friday

Continued from Page 1
ings would result in huge crowds of women forming."

Back in 1952, Dr. Robinson received a richly deserved honor when she was voted "outstanding woman in the field of health and safety in Oak Ridge" by the Oak Ridge Business and Professional Women's Club.

Five Grown Children

The Robinsons have five grown children and one, Ted, is a Y-12er in Alpha Five Cascade Operations. Another son, Frank, is a former K-25 Plant employee and now is attending a photographic school in Los Angeles, Cal., after four years in the Air Force. The third son, Donald, graduated recently from the University of Cincinnati. A daughter, Mrs. Margaret LaFlash, also is a doctor, receiving her medical degree from the University of Minnesota and marrying one week later. An unmarried daughter, Elizabeth, is a student at Carlton College in Minnesota.

Perhaps the departure of no Y-12er ever has aroused the regret of so many fellow employees as that of Dr. Robinson—but all of them recognize the motive and need of the move, and join unanimously in saying:

"Best luck, Dr. Annie."

10 Years Service

Congratulations to the following Y-12 employees who will complete 10 years of Company Service within the next few days:

John O. Shoopman, General Machine Shop, June 19.

Julius L. Holzknicht, Jr., Process Maintenance, June 23.

Frances M. Smith, Property, June 23.

Wife to Husband: "You swore terribly at me last night in your sleep."

Husband to Wife: "Who was asleep?"

HOPKINS—ADAMS

The marriage of Miss Madge Adams, of the K-25 Plant Medical Department, and Robert Charles Hopkins, of the Y-12 Piping and Civil Engineering Department, was solemnized at 3 o'clock Saturday afternoon, May 25, at the Central Baptist Church, Oak Ridge. The Rev. K. B. Combs, pastor, officiated.

The bride is the daughter of Mr. and Mrs. L. M. Adams, Oak Ridge. Parents of the groom are Mr. and Mrs. C. B. Hopkins, also of Oak Ridge. C. B. Hopkins is a former Y-12er.

Given in marriage by her father, the bride wore a ballerina-length dress of white embroidered net. Her veil was held by a tiara of pearls and her flowers were pink and white roses.

The matron of honor was Mrs. Lynn Hicks.

During the ceremony wedding music was presented by Joan Collins, soloist, and Joyce Overton, organist.

The best man was Harry Connor and ushers were Lee Stansberry and Charlie Hicks.

A reception was held in the church immediately after the ceremony.

The bride graduated from Knoxville Business College and the groom attended the University of Tennessee and East Tennessee State College.

The couple is at home at 106 Latimer Road, Oak Ridge.

JOHNSON—HELTON

Following their marriage at the Kern Memorial Methodist Church in Oak Ridge at 4 o'clock Sunday afternoon, June 9, Mr. and Mrs. Frederick Johnson are living at San Diego, Cal., where the groom is stationed with the United States Navy. The wedding vows were exchanged before the Rev. Herbert D. Hart, minister of the Kern church.

Fathers of both principals are with Union Carbide Nuclear Company. James Roy Helton, Y-12 Process Maintenance, and Mrs. Helton, of Oak Ridge, are parents of the bride. Parents of the groom are Fred Johnson, Sr., of the K-25 Plant Inspection Department, and Mrs. Johnson, also of Oak Ridge.

The bride was given in marriage by her father, who also was vocalist at the ceremony with Harold W. Schmitt at the organ.

For her wedding the bride selected a gown of white lace and net with a bridal veil held by a white coronet. Her flowers were white carnations and yellow rosebuds.

Miss Judy Sexton was maid of honor, and other bridal attendants

Mr. and Mrs. Robert C. Hopkins

Mrs. Frederick Johnson

were Miss Linda Barker and Miss Sandra McKeethan.

Acting as best man was Lamar T. Royer, of Chattanooga. Ushers were Jimmy Helton and Noel Johnson, brothers of the bride and groom, respectively.

HILL—WILSON

Marriage vows were exchanged by Miss Virginia Lorraine Wilson, of Dunlap, Tenn., and John Wesley Hill, of the Y-12 Industrial Engineering Department, at 4 o'clock Saturday afternoon, May 25. The ceremony was performed in the Methodist Church of Dunlap, with the Rev. W. L. Tate, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Samuel Bennett Wilson, of Dunlap. The groom's parents were the late Mr. and Mrs. John W. Hill, of Clinton.

The bride was given in marriage by her father, and during the wedding nuptial music was presented in charge of Mrs. Dillard Smith, of Chattanooga.

For her wedding the bride wore a ballerina-length dress of French brocade trimmed with iridescent sequins. Her veil fell from a tiara of crystallized orange blossoms and she carried a white prayer book topped with a white orchid and satin streamers with staphanotis.

Mrs. James A. Marler, sister of the bride, was matron of honor.

Dr. C. L. Greene, of Clinton, acted as best man.

Following the wedding a reception was held at the home of the bride's parents.

The bride is a graduate of the University of Tennessee, School of Home Economics, and is a member of the Phi Mu Sorority. The groom also attended the University of Tennessee and is a member of the Pi Kappa Alpha Fraternity.

The couple is at home in the Shelborne Towers Apartment in Knoxville.

Fifth Disabling Injury Of Year Posted June 12

The fifth disabling injury of the year in the Y-12 Plant occurred at 12:38 p.m. last Wednesday, June 12, when an electrician of the Electrical Maintenance suffered a broken pelvis in an eight-foot fall from a ladder. He will be hospitalized and away from work for several weeks. The accident broke a string of 15 days of plant operations, or an estimated 401,202 man-hours, without a lost-time accident. The last disabling injury was on May 28.

A smile is a curve that sets a lot of things straight.

Keep your hands and arms on the inside folks—awaaay we go—

TECHNICAL

After the hair-raising experience of precariously balancing himself atop a seven-foot ladder while his dog chased a cat around the base, **Harold Williams**, Special Projects, took off for Trenton, N. J., last week end to soothe his nerves with some deep sea fishing . . . Not chased by no cat, "**Uncle**" **Harvey Hankins** is deep sea fishing off the West Coast of Florida . . . **George McGown** is back from a couple of weeks in Ipswich, Mass. . . **Sam Rea** was missing last week—something he et, no doubt.

Our pal, **Virginia Boswell**, of the Bldg. 9201-2 Lodge of Development Operations, is dunking Daytona Beach sunshine this week.

The SD Chemical Development Group of Development Operations is happy to have **William T. Penn** with them for the summer . . . **Norman Setter** and his wife are back from a week's trip to Wilmington, Del., where he attended the wedding of his sister.

Annie Robinson, B Shift reporter in Production Assay, and her husband, Ed., are vacationing with relatives in South Carolina . . . **Mattie Anderson** week ended with her parents in Pennington Gap, Va. . . **Nell Mercer** and her husband, **Bob**, Chemical, week ended with her mother in Rogersville . . . **Harry Baker** and family are back from a trip to North Carolina . . . The Assay Lab B Shift folks had a big picnic at Concord June 6 . . . C Shift reports **Gene Griffin** vacationing at Concord . . . **Chlogene Brown** and her husband, **Bill**, visited Virginia relatives last week end.

Production Analysis has **Bill Mohel** and family vacationing in Nebraska.

H. R. Gwinn, Special Testing, is vacationing with his ill mother-in-law in West Virginia—Testers hope she gets well rapidly . . . **Mary Gillham** is seeing Chicago sights . . . **Katie Sells** is visiting kin folks in Livingston, Tenn., and **Geneva Gracey** is in Jacksonville, Fla., for a week . . . **Ruth Ruffner** is seeing relatives in Kentucky this week . . . One and all are hoping **Helen Stepp** will be back soon and feeling chipper from her recent illness.

Lootent Kunnel, suh, **Hal C. Tunnell**, USAFR, Project Engineering, is on tour of duty at West Palm Beach, Fla. (fine place for high flying) . . . **J. B. Cory**, Lieut. Com. USNR, has reported for training duty in Atlanta, Ga. . . **James E. Batch** is welcomed for summer work.

Another lootent, **David B. Allen**, Electrical Engineering, is shootin' anti-aircraft guns at mythical Roosians at Camp Stewart, Ga., for a couple of weeks while another lootent, **John H. Boyd**, USNR, is doing sea-going duty in land-locked Atlanta . . . The **E. A. Crows** and their son, **Sam**, are sand-sifting at Daytona Beach . . . **Kathryn Dumas** and hubby, **John**, employed at Childersburg, Ala., are vacationing "at home" in Oak Ridge.

H. E. Coppock, Mechanical Engineering, and family are over around Big Ridge State Park this week . . . Get-well wishes go to **Tom Norris**, injured in an automobile mishap last week . . . **E. E. Palmer** is on tour in Florida . . . **Nora Hurst** is a versatile gal—remodeled her own apartment . . . Deepest sympathy from this department and also from Product Processing, of the Chemical Division, to **Peggy Hardin** and her husband, **Fred**, whose father, **E. J. Hardin**, of Lake City, died recently.

M. B. Bridges, Piping and Civil Engineering, and family are sightseeing in Florida for two weeks . . . **Clarice Cagle** and hubby are in West Virginia . . . The **Marshall Wards** went to North Carolina . . .

Get-well wishes to **H. F. Wentworth**, in Oak Ridge Hospital.

MAINTENANCE

P. Y. Miller, Buildings and Grounds foreman, is mighty proud of his pretty daughter, **Wanda Lou**, who graduated from **Karns High School** June 3. She took an active part in school club work, is **Worthy Advisor** in her **Rainbow Assembly** Group and aspires to be a first class telephone operator.

Wanda Miller

Research Services has a passel of sick folks to whom rapid recovery wishes are sent, to wit—**L. R. Bledsoe**, **M. Boone**, **J. P. Ross**, **W. V. Yaden**, **R. W. Rule**, **J. W. Howard**, **J. C. Price** and **S. D. Blessing** . . . **E. J. Panter** is expected back soon after recovering from an injury. . . **Pete Palfry**, back from California, reports spurning Hollywood offers in favor of good old Carbide . . . **H. K. Bailey** really got around on a visit to **Opelika, Ala.**, and **Panama City, Fla.** . . . **W. N. Boatman** is working on his home in Oak Ridge and **E. K. DeLong** also is taking it easy at home in the Atomic City . . . **B. B. Coulter** is roughing it on **Watts Bar Lake**.

Electrical Maintenance reports **H. E. Argo** spending a week with relatives in West Tennessee . . . **W. C. Munsey** is around home in **Lenoir City** . . . **A. T. Wallace** is getting a sun tan in **St. Petersburg, Fla.** . . . **T. J. Bradley** is seeing kin folks in Middle Tennessee and **L. R. Irwin** is doing likewise in **Emerson, Ga.** . . . **W. K. Fulbright** is at home in **Kingston** . . . Get-well wishes to **W. S. Miller** and also to **Sam King**, in Oak Ridge Hospital.

Process Maintenance sends get-well wishes to **E. E. Denham** and welcomes **R. K. Miller** and **E. L. Stooksburg** back from the rick list . . . **Barbara Thomas** is entertaining her sister and family from **Pine Bluff, Ark.** . . . **C. A. Pickens** is another one of those proud fathers of girl graduates from Oak Ridge High School and saw her off on her first plane trip for a New Orleans vacation . . . **R. D. Baker** tried out his new barbecue outfit on visiting relatives recently—no casualties reported . . . Vacation times find **R. A. Hubbard** visiting relatives in Mississippi . . . **J. D. Roesler** doing likewise in **Houston, Tex.**, and **W. C. Southard** in **Kentucky** . . . **C. R. Sharp** can be found in **Terre Haute, Ind.** . . . **F. K. Booth** is entertaining relatives from **Tallahassee, Fla.** . . . **R. M. Roark** is in **South Carolina** and **G. W. Manning** is in **Birmingham**.

SHIFT SUPERINTENDENTS AND GENERAL UTILITIES

W. S. Everett, General Utilities, is vacationing in **Nashville**, the mountains and fishing . . . **G. H. Russell** plans to take in **Chattanooga** and **Lookout Mountain** . . . **Samuel Kite** will paint his house and fish on **Douglas Lake** . . . **Ken Bernander** week ended in **Florida, Ala.**

The **W. S. Porters**, he's D Shift Superintendent, recently visited in **Athens, Tenn.**, and also **Steve** is reported to have done full justice to the victuals at the D Shift picnic last Thursday at **Big Ridge**.

MECHANICAL OPERATIONS

The General Machine Shop, many other friends of the late **James Earl Livingston**, former Shopper, and The Bulletin have received expressions of thanks from Mrs. Livingston for the kindnesses extended her and her family at the time of his death May 6 . . . **Tally Livingston**, a surviving son, now is a Shopper . . . Fur-

MISS IMOGENE LOWE, BRIDE-ELECT, of Wage Standards, was honored May 25 with a shower given by fellow Y-12 employees and friends. Seated from left are Miss Lowe, Betty Jo Butler, Mrs. A. L. Patrick, mother of the groom-elect; Audrey Jones, Ann Hensley. Standing is Judy Reeves, a co-host with Jo White, who took the picture. Also attending the shower but not shown in the picture were Meta Butler and Louise Gardipee.

THIS LUNKER of a largemouth bass found the temptation of a live lizard just too much, particularly as at the other end of a line attached to a hook attached to the lizard was J. L. Finchum, General Utilities. The big bass found the bait tasty and fatal and wound up as a likely entry in the Y-12 Annual Fishing Contest. Finchum caught his prize from Norris Lake.

Big Entry List Seen Saturday

Third Y-12 Tee Party Set For Ridge Course

Another big entry list is expected in the third Y-12 Golf Tournament of the 1957 season, scheduled for Saturday morning of this week, June 22, at the Oak Ridge Golf and Country Club. One of the attractions for Y-12 divot diggers will be the 27 awards of various numbers of golf balls to winners in various classifications.

Contestants in this tee party will get an extra hour's sleep as tee off time for the first players has been set for 8 o'clock instead of 7 a.m., as previously. The last four-somes must be under way by not later than 10 a.m.

Entrants will be divided into three divisions, as in the past tournaments staged under sponsorship of the Y-12 Recreation Department. Assignment to divisions will be by handicaps established in previous Y-12 tournaments and handicaps will be handed out by the official scorer on the morning of the event.

Prizes of golf balls also will be made to the first four low scratch and handicap scorers in each of the three divisions. In addition, awards will go to the First Division player with the most fours for the 18 holes of the tournament, the most fives in the Second Division and the most sixes in the Third Division.

Green fee for the Saturday tournament will be \$3.

Campbell-Thomson Lead Tennis Ladder

The Campbell-Thomson team took over first place in the men's doubles on the Y-12 Tennis Ladder last week by successfully challenging the leading Kuhn-Harper combine 6-0, 6-1. Perry and Laggis jumped from seventh to third place with two wins, beating Fischer-Horton 6-2, 6-2 and trouncing Kuhn-Harper 6-2, 6-1.

In the mixed doubles competition the leading team of Mary Cusman and Frank Ballenger repelled Nell McGinnis and Bill Harper 6-0, 6-1. Helen Brown and George Everett beat Mildred White and Kuhn 6-2, 6-4.

Standings in the men's doubles are (1) Campbell-Thomson, (2) Hackett-Ballenger, (3) Perry-Laggis, (4) Henry-Sheehan, (5) Kuhn-Harper, (6) Caudill-Stephens, (7) Fischer-Horton, (8) Gregory-Nicely. In the mixed doubles the standings are (1) Cusman-Ballenger, (2) Gombita-Laggis, (3) McGinnis-Harper, (4) Brown-Everett, (5) M. White-Kuhn, (6) L. White-Campbell.

Ellis-Anglin Still Lead At Harriman

The Ellis-Anglin team retained the lead in the Harriman Golf League for Union Carbide Nuclear Company players for the week ending June 9, although the match with the second-place Martin-Isham combine was postponed. League standing at the end of the week follows:

Team	W	L
Ellis-Anglin	14 1/2	1 1/2
Martin-Isham	10 1/2	5 1/2
Kahley-Ruthven	9 1/2	10 1/2
Belvin-Hopkins	11	13
Cuneo-Thomas	9	11
Mackey-Hamill	8 1/2	11 1/2
McConkey-Raper	5	15

R. Day, Sr., Development Operations; J. H. Oldham, A Mechanical Operations; Iva L. Jones, Beta Two; Elmer W. Money-maker, Buildings and Grounds; W. J. Whitaker, Alpha Five Cascade; P. C. Posey, Janitors.

Ever hear about the two octopuses who got married and swam down the aisle hand-in-hand, hand-in-hand, hand-in-hand, etc?

THESE RAMBUNCTIOUS REBELS of the Y-12 Plant Softball League have been troublesome ever since the season started. From left in rear are J. B. Bowman, Manager J. L. Brown, Cecil Pack, W. A. Norman, E. M. Miller, Ed Sise and J. W. Halsey. In front are C. F. Murrin, H. Curchfield, F. L. Teno, E. D. Collins, R. E. Justice and J. D. Collins.

Horseshoe Ladder Competition Launched This Week With Eight Teams Set To Pitch

With eight teams ready to go and more expected to sign up for competition, the Y-12 Horseshoe Ladder will swing into action this week. The ladder will operate on a challenge basis with a challenging team permitted to go two rungs above their current position on the ladder for a challenge. The season will end the week of August 30.

New two-man teams are urged to join the ladder competition at any time. All that is needed to enter the ladder play is to notify the Y-12 Recreation Office, Room 226, Bldg. 9704-2, plant phone 7751; or Charley Beckett, the ladder secretary, plant phone 7-8389. Avery Kendig is president of the group and Bill Hackett is vice president.

Every team will be expected to play at least one match every week and after a challenge the match must be completed within one week. If a challenged team is not able to play within two weeks, the challenging team will replace the challenged team on the ladder. Substitutes may be made by any team, but the substitute must be a Y-12 employee.

Results of all matches played during any week should be reported to Secretary Beckett on or before Friday morning of that week so that the ladder standing can be kept up to date.

The winning and second place teams will receive trophies at the end of the season.

The eight opposing teams and their ladder positions, determined by a draw, are (1) Len Hart-Frank Zupan, (2) M. B. Hilton-Bill Hackett, (3) Parker Morgan-Loyd Wyatt, (4) Joe Dunlap-V. A. Stanley, (5) Avery Kendig-Charley Gillihan, (6) Clyde Smith-Charley Beckett, (7) Ernie Collins-J. A. Lewis, (8) H. Dyer-Joe Dick.

ORPS Picks Three Y-12ers As Officers

A former Y-12er was elected commander and three present employees chosen for other posts in the Oak Ridge Power Squadron for the coming year. The new commander is Walcott Watson, while Richard E. Hulme, Piping and Civil Engineering, was picked as secretary; Ray E. Hill, Electrical Engineering, was named treasurer; and G. J. Angele, General Utilities and former commander of the squadron, was chosen squadron educational officer.

The ORPS is a unit of the National Power Squadron and recently observed its 10th anniversary in the educational field for the operators of small boats in this area. The squadron now is working with the water safety committee of Oak Ridge and Knoxville in an effort to reduce accidents on Norris, Ft. Loudoun, Watts Bar and other nearby lakes resulting from careless and reckless conduct of operators.

To qualify for membership in the squadron applicants must pass an examination based on 10 lectures on safe boat operations and seamanship. Many Y-12ers have taken the course in seamanship and are members of the squadron.

Wildcats On Move In Softball League

Two Victories Advance Felines To Second

Those rampaging Wildcats, under the leadership of manager W. R. Clevenger, moved up to the second slot in the Y-12 Softball League last week by winning a pair of contests. The Wildcats fought from behind to defeat the Rebels by 7 to 3 and then marched to a 21-to-4 victory over the B Bombers. The Rebels really gave the Wildcats a run for their money by scoring three runs in the top of the third frame and holding onto the margin until the sixth, when the winners went on a scoring binge and pushed across seven big tallies. Munsey twirled a neat five-hitter for the winners and also led his team at the plate with two bingles. In the game with the Bombers, Munsey let the B Shifters down with four safeties, while Clevenger had a perfect night at the dish by blasting out four hits, including a home run and a triple. Howard also used the timber well for the winners with three for four including a four-baser.

Reactors On Top

Manager Harley Law and his Reactor gang remained in the league lead by lacing the B Bombers by 15 to 2 as Spud Chandler let the losers down with just three hits. The Reactors got started off on the right foot in the first canto by plating four runs then adding two in the second inning and piling up nine more runs during the course of the evening. Cavosie, Wilburn and Hamil paced the winners at bat, with Hamil getting a home run.

All was not dark for the B Bombers last week as they defeated the Rebels by 4 to 2 in a well-played game. The Rebels jumped off to a one-run lead in the third inning then scored another tally in the bottom of the fifth, but the Bombers fought back to score four runs in the top of the seventh to win going away. Gib Hatmaker hurled a fine game for the winners, as did Ed Sise for the Rebels. Messenger led the Bombers at bat by getting two base knocks out of three tries at the platter.

Score by innings:

Team	R	H	E
Rebels	003	000	0-3 5 0
Wildcats	000	007	x-7 8 2

Batteries: Rebels, Sise and Carper. Wildcats, Munsey and Osborne.

Team	W	L
Bombers	000	4 00-4 4 5
Wildcats	422	11 2x-21 17 3

Batteries: Bombers, Burnett and Beeler. Wildcats, Munsey and Hatmaker.

Team	W	L
Bombers	000	020 0-2 3 3
Reactors	420	108 x-15 15 0

Batteries: Bombers, Burnett and Hatmaker. Reactors, Chandler and Wilburn.

Team	W	L
Bombers	000	000 4-4 6 5
Rebels	001	010 0-2 8 3

Batteries: Bombers, Hatmaker and Beeler. Rebels, Sise and Bowman.

Team	W	L
Reactors	10	1
Wildcats	9	2
Bombers	9	4
Rebels	8	4
Cubs	7	3
Early Bird	3	6
Screw Balls	2	8

Fishing Rodeo Seen Closely Contested

The throng of fishermen in Y-12 probably will stage some close competition in the second fishing rodeo of the season, now under way, in an effort to top some of the record catches made in the first such event of the season. The current rodeo started last Saturday and will continue all summer, ending at midnight, Monday, September 2, which is Labor Day.

All anglers of the plant are urged to keep a supply of entry blanks for the rodeo on hand. They may be obtained from members of shift recreation committees and also at the Recreation Department, Room 266, Bldg. 9704-2. Each entry blank contains complete rules for the rodeo.

Wallace-Patterson Lenoir Leaders

The Wallace-Patterson team was leading the Y-12 Golf League for players in the Lenoir City area playing at the Cedar Hills course in latest returns. Close behind were the brother team of M. F. and J. L. Gilliam in second place. The loop leaders took two and one-half points from Thompson-Kinkaid and the Gilliams beat Henck-Clabough by the same margin in recent bouts. In other matches Davis-Arrowood took Perry-Mills for three points and Oxford-A. Collins whipped Watson-W. C. Collins by the same score.

M. F. Gilliam and Jim Patterson tied at 41s for low scratch. F. K. Clabough and L. E. Kinkaid ended up tied at 36 for low handicap score.

League standing follows:

Team	W	L
Wallace-Patterson	11 1/2	3 1/2
M. F. & J. L. Gilliam	10 1/2	4 1/2
Davis-Arrowood	8 1/2	6 1/2
Oxford-A. Collins	8 1/2	6 1/2
Watson-W. C. Collins	8 1/2	6 1/2
Thompson-Kinkaid	6 1/2	8 1/2
Henck-Clabough	6	9
Perry-Mills	0	15

BOY OF THE MONTH in Knoxville for May was Danny Temple, shown above receiving a certificate from Clarence Beaman, of the Knoxville Y.M.C.A. Danny is the son of Judson Temple, Y-12 A Shift Assistant Superintendent.

Y-12er's Son Named Boy Of The Month By Knoxville Group

An outstanding school, church and Boy Scout record has brought the son of a Y-12er the honor of being acclaimed Boy of the Month in Knoxville for the month of May. The youngster is Danny Temple, 12, and the proud father is Judson E. Temple, Assistant A Shift Superintendent, and a Knoxville resident.

The Boy of the Month contest is sponsored jointly by the Knoxville Y.M.C.A. and the Knoxville Journal, and Danny was nominated for the honor by his school principal, educational director of his church and his scoutmaster. He will be in the seventh grade at the McCampbell School next year, attends the Arlington Baptist Church and is a member of the Boy Scouts.

Young Temple was awarded a handsome framed certificate last week for the honor conferred on him, the presentation being made by Clarence Beaman, a member of the Y.M.C.A. Boy of the Month committee.

Jud Temple's Y-12 Company Service dates back to 1951, when he came to work for the Safety Department. After a brief stay there, he was transferred to his present position.

A Shift To Hold Picnic June 20 At Oak Ridge

Big Ridge State Park again will be the site of a Y-12 picnic tomorrow, Thursday, June 20, when A Shift employees and their families will enjoy an all-day outing. Festivities will start at 10 a.m. and will include a badminton and volleyball tournament and other games with prizes for winners. Every child attending will receive a free balloon. Each family is asked to bring its own picnic lunch and the A Shift Recreation Committee will provide drinks free of charge.

SIX PRESIDENTS SERVED

Six United States presidents served as citizen-soldiers. They were George Washington, Abraham Lincoln, Andrew Jackson, Chester Arthur, Theodore Roosevelt and Harry Truman.

Barton Is Leading Photographic Contest Competition Is Close In Snapshot Event

With 16 point winners already listed, the competition in the Weekly Y-12 Photographic Contest through the first five months of the year has been close. In the contest 25 points are awarded the first-place picture every week and 15 for the second-place snapshot.

Through May 31, the leader with 155 points is T. H. Barton, Production Analysis. His score represents five first and two second-place pictures. In second place is Carl G. Brewster, Medical, with 135 points from three firsts and three seconds. Close behind in third place is J. S. Stewart, also of Production Analysis, whose three first and three seconds totaled 120 points.

Four firsts and one second place for 115 points put Dave Alford, Beta Two, in fourth place, and fifth place was held by Howard Horne, Maintenance Planning, with one first and five seconds accounting for an even 100 points.

Other entrants and points scored are O. F. Hill, Alpha Five Cascade, 50; Barbara Thomas, Process Maintenance, 45; Harley Law, General Machine Shop; Gaines Aldridge, Alpha Four Cascade; B. N. Strunk, Material Control; F. M. Barnes, Research Services; and R. E. Barringer, Development Operations, each with 25; and Raymond E. McNew, General Machine Shop; Raul Tinnel, Colex Auxiliary; Floyd Downs, Industrial Engineering; and Gerald Lankford, General Machine Shop, 15 points each.

"Leave it to George to overdo it!"
